**Subject:** J.H. Baxter questions

Hi Jan,

I have a few additional questions. Feel free to call me if you'd rather talk than email.

1. Kim wanted me to ask if (b)(5)

2. Is there a document that describes the "pay-as-you-go" arrangement with Baxter, or would you be able to give me a quick description?

This happened before I took on the project, but look in the Records Center Indices, both Versatile and SEMS, in File Folder 17D and see if you can find something there. If not in 17D it might be in the compliance files for the Baxter Order, which would be in one of the File Folders 5d-5f.

I still haven't confirmed the Monday meeting with Jennifer, but I'm working on it.

Call or email me if you want to discuss.

Hope you are having a good day and will have a great weekend!

Jan

Thanks for your help!
